of the National Governing Body of
Inner Wheel Clubs in Nigeria.

Kay Morland

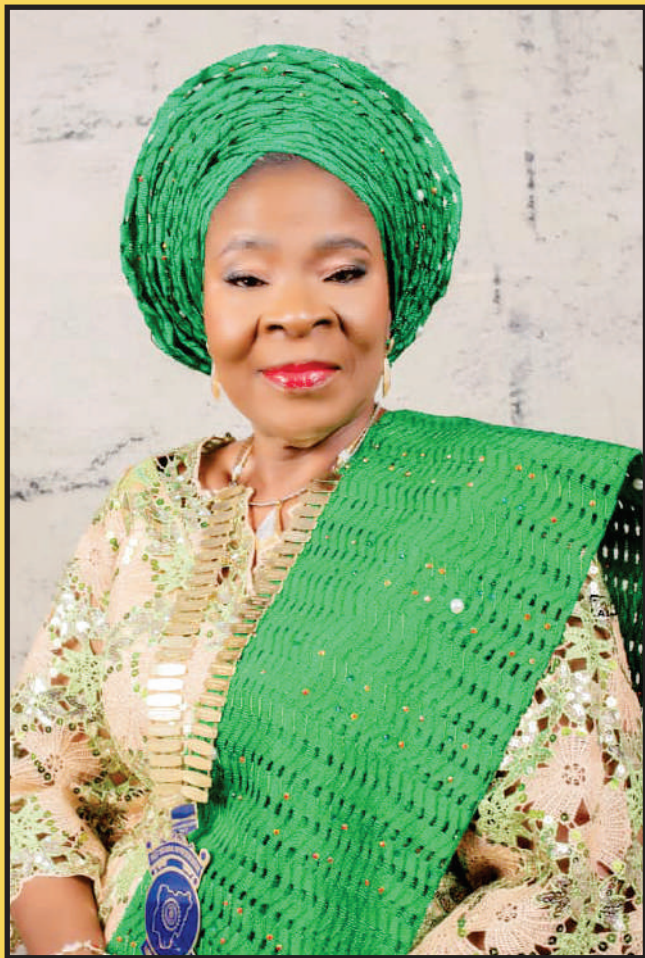

IIWP 2025-2026

Mrs. Ezimma Nnabufe

International Inner Wheel Board Director 2025-2026

FORWARD BY THE NATIONAL REPRESENTATIVE FUNMI OGUNSI ON THE ISSUANCE OF THE 2ND EDITION OF THE NATIONAL E - NEWS LETTER.

Dear Step Up and Lead by Example Sisters, it is with utmost delight that I present this 2nd Edition of our E-Newsletter/bulletin.

It has been a truly eventful Inner Wheel year with the impact and memories of our activities still resonating in our minds.

Kudos to us all for the efforts made to continue to be relevant in our services to Humanity. I salute our doggedness and tenacity of purpose. Thank you all and thank most graciously our indefatigable National Editor PDC Bolanle Adefeso and her team. Thank you for a job well done

Dear sisters, enjoy the 2nd edition of Step Up and Lead by Example Inner Wheel year 2025-2026 bulletin. As we peruse the bulletin let us appreciate one another efforts, let us learn from one another's ingenuity and imagination and strive always, to up the ante.

Remain blessed

Vive la Inner Wheel

Yours in Service and Friendship,

A handwritten signature in black ink, reading 'Funmi Ogunsu'.

Funmi Ogunsu
National Representative

International Inner Wheel, a service and friendship organization founded by Margarrette Golden in 1924, has continued to grow in leaps and bounds. Presently, spread in over 100 countries with about 115,000 members, Inner Wheel continues to reach out to the poor, the needy, the down trodden and disaster affected areas in our world. Inner Wheel Nigeria is not left out. However, efforts must be made to increase membership. The introduction of e-clubs should, therefore, be considered very

seriously since young mothers of today are busy people throughout the day. The attendant constraints should be discussed with the ways of getting over them. This becomes crucial as those who need attention and service continue to grow. However, in our service to humanity, true friendship and sisterly love, which are our watchword and mantra, must be maintained. Let us be our sisters' keepers within as we serve others. Our Club shall never die!

Mrs. Ezimma Nnabuife

International Inner Wheel Board Director 2025-2026

Inner Wheel District 911, Nigeria celebrated Inner Wheel Day on 10th January 2026 in grand style. Members visited Ward C2 at the Lagos University Teaching Hospital (LUTH) to present gifts to the first babies born that day. The visit was made even more special by the delightful surprise of a set of twins, bringing the total number of babies celebrated to seven. Each baby was blessed with gifts to mark the occasion.

The day ended with members enjoying a marvellous celebration. See pictures.

FROM THE NATIONAL EDITOR'S DESK

My dear beloved Step Up and Lead By Example Sisters in Inner Wheel, it is with a joyful heart, full of gratitude to God that I am writing these few words in the second edition of our Newsletter for the year - 1st October 2025 -31st January 2026.

The period has been filled with many amazing events and laudable projects, including Orange the World OtW (15th November -10th December 2025) and International Inner Wheel Day Celebration (10th January 2026) activities. You have all done marvelously well in informing our world to Cease Violence Against Women and Girls and I believe this has indeed made a lot of positive difference in our homes and communities. You have also planted trees and flowers to bring improvement to our environment.

The Clubs and Districts carried out projects which have put smiles on the faces of many men, women and children, impacting their lives positively.

You have also extended hands of friendship to one another in our Inner Wheel family.

I thank you all for what you have done thus far and encourage you to do even more as we start the countdown for this service year.

I say a big thank you to all the six District Editors for their cooperation as I work directly with them. More grace.

I also thank all the District Chairmen for your determination, time and tenacity in fulfilling the goal set by the International Inner Wheel and surpassing it in your various communities. You will not lose your reward.

Cheers to IIW!

Cheers to IW Nigeria!!

Our Club shall never die.
